Temporary Local Rules

MLR E-12 – Compulsory Use of Fairway Mats

Fairway mats are compulsory on a fairway

"When a player's ball lies in a part of the general area cut to fairway height or less and a putter is not being used for the stroke, the player must take free relief by lifting the original ball and placing the original ball or another ball on an artificial mat and play it from there. The mat must be placed on top of the spot where the ball came to rest. If a ball when placed rolls off the mat, the player must try to place it a second time. If the ball again does not stay on the mat, the mat must be moved to the nearest spot, not nearer the hole, where the ball will come to rest on the mat when placed. If the ball on the mat is accidentally moved before a stroke is made, there is no penalty and the ball must be placed again on the mat. If a tee is used to secure the mat into the ground, the ball must not be placed on the tee. Mats are not permitted on tees or greens.

Model Local Rule E-2

When a player's ball lies in the general area, the ball may be lifted, cleaned and replaced without penalty. The player must mark the spot of the ball before lifting it (see Rule 14.1) and the ball must be replaced on its original spot (see Rule 14.2).
